https://kppp.karnataka.gov.in

Sub: Work of Construction of New chlorine building and installation of 40 Kg/hr chlorine system with chlorine neutralization system coming under jurisdiction of AEE(K-O&M)-2-2 at Tataguni

Ref: 1. IFT No: No.BWSSB/CE(CH)TE/TA-01/110/115/2026-27 Dated: 30/05/2026
2.Tender No- BWSSB/2026-27/BD/WORK_INDENT3347

****

Adverting to above subject, the following clauses are additions to bid document for the above said work.

1. **INSPECTION AFTER RECEIPT OF MATERIALS/EQUIPMENTS:**

Materials shall be procured from the Approved vendors only, the material/equipment will be inspected on receipt by Board authorities. Any material/equipment found to be not conformity with the specification will be rejected. In such cases the contractor has to take back the rejected materials/equipment's at his own cost. The Corporation may accept replacements confirming to the specifications.

The Purchaser or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Contract specifications at no extra cost to the Purchaser. And the Technical Specifications shall specify what inspections and tests the Purchaser requires and where they are to be conducted. The Purchaser shall notify the Supplier in writing in a timely manner of the identity of any representatives retained for these purposes.

Should any inspected or tested Goods fail to conform to the specifications, the Purchaser may reject the goods and the Supplier shall either replace the rejected Goods or make alterations necessary to meet specification requirements free of cost to the Purchaser

2. **PACKING:**

The contractor shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to final destination as well as storage till its layout as indicated in the contract. The packing shall be sufficient to withstand, without limitations, rough handling during transit by road, and/or rail and exposure of rain, humidity, extreme temperatures, salt and precipitation during transit and open storage for long durations till the time of lying. Packing case size and weights shall be determined taking into consideration where appropriate, the remoteness of the goods final destination and the transit and the availability of handling facility at all points, availability of the various

trucks/trailers for transportation. The Board shall not entertain any claim whatsoever, in this regard.

In case of damage to the equipment and materials due to improper packing, the contractor shall be held responsible for the same and the Contractor shall replace the material by a new one without any extra cost to Board.

3. FORWARDING AND SHIPMENT:

The contractor shall notify the Board of the date of each dispatch from its works and the expected date of arrival at the site for the information of the concerned Board officers.

The contractor shall also give all dispatch information concerning the weight, size and content of each package including any other information the concerned **Board** officers.

The contractor shall prepare detailed packing list of all packages and containers, bundles and loose materials forming each and every consignment dispatched to sites.

4. Warranty

The Supplier warrants that the Goods supplied under this Contract are new, unused, of the most recent or current models and that they incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Supplier further warrants that all Goods supplied under this Contract shall have no defect arising from design, materials or workmanship or from any act or omission of the Supplier, that may develop under normal use of the supplied Goods in the conditions prevailing in the State.

This warranty shall remain valid for ….. hours of operation or 12months after the Goods or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the Contract, or for 18 months after the date of shipment from the place of loading whichever period concludes earlier.
